

## advancing solutions for great oral health

Delta Dental is proud to be America's largest, most experienced dental benefits carrier. As the first company to specialize in dental benefits, we are passionate about oral health and its importance to future generations. Our core purpose is to advance the delivery of oral healthcare through our dental benefits programs and philanthropic efforts.

Delta Dental member companies are committed to providing excellent dental benefits programs and serving the communities in which they operate. Across the country, Delta Dental employees are involved in programs to enrich and improve the lives of the people living and working in the communities they serve. Because we believe that everyone deserves good oral health, we provide the resources and commitment to assist our communities in promoting good oral health and ultimately achieving a better quality of life.

At Delta Dental, we stay true to our vision of helping people achieve the best overall health possible. Our emphasis is on extending the reach of affordable, quality dental benefits to as many people as possible, and to focus on improving the health of the communities we serve. Through public and private partnerships, Delta Dental member companies work to shape policies and support programs that improve oral health among underserved populations, and support community health programs, oral health research, dental education and other oral health initiatives.

## Delta Dental and Head Start partnership

Delta Dental Plans Association and the National Head Start Association have joined together to fight a growing epidemic of poor oral health among our nation's youngest citizens. Their alliance will provide the National Head Start Association and local programs with additional tools and resources to improve the oral health status of children in the Head Start program.

Delta Dental Plans Association ([www.deltadental.com](http://www.deltadental.com)), based in Oak Brook, IL, is a national network of independent not-for-profit dental service corporations specializing in providing dental benefits programs to 51 million Americans in more than 93,000 employee groups throughout the country.
