

One dental benefits carrier  
leads the industry.

## More people trust their smiles to Delta Dental.

- Delta Dental member companies serve more than one-fourth of the estimated 165 million Americans with dental insurance, providing dental coverage to more than 50 million people in 88,000-plus groups across the nation.
- Approximately three out of four dentists in the U.S. are part of the Delta Dental Premier network, the country's most extensive offering.
- Delta Dental processes nearly 73 million dental claims annually or approximately 1.4 million per week, with an accuracy rate greater than 99 percent.
- Delta Dental saved groups nearly \$5.3 billion last year alone through unique cost-control measures and contractual agreements with dentists that ensure quality care at moderate fees.

## Our plans fit companies of all shapes and sizes.

Delta Dental provides a wide range of national dental benefit products. And since every business is different, we tailor our group dental benefits programs to fit each company's requirements and the needs of their enrollees.

### Delta Dental Premier®

- unmatched national contracted network
- more than 179,000 dentist locations nationwide
- more than 124,000 unique dentists

### Delta Dental PPO<sup>SM</sup>

- preferred provider organization option
- more than 102,000 dentist locations
- more than 62,000 unique dentists

### DeltaCare® USA

- national Dental Health Maintenance Organization
- more than 21,000 contracted dentist locations

## Ensuring consistency wherever your enrollees go.

The Delta Dental Plans Association (DDPA) exists to enhance the dental benefit programs of member companies and allows each to provide multi-state and national coverage to customers. Among its many functions, the Delta Dental Plans Association focuses on:

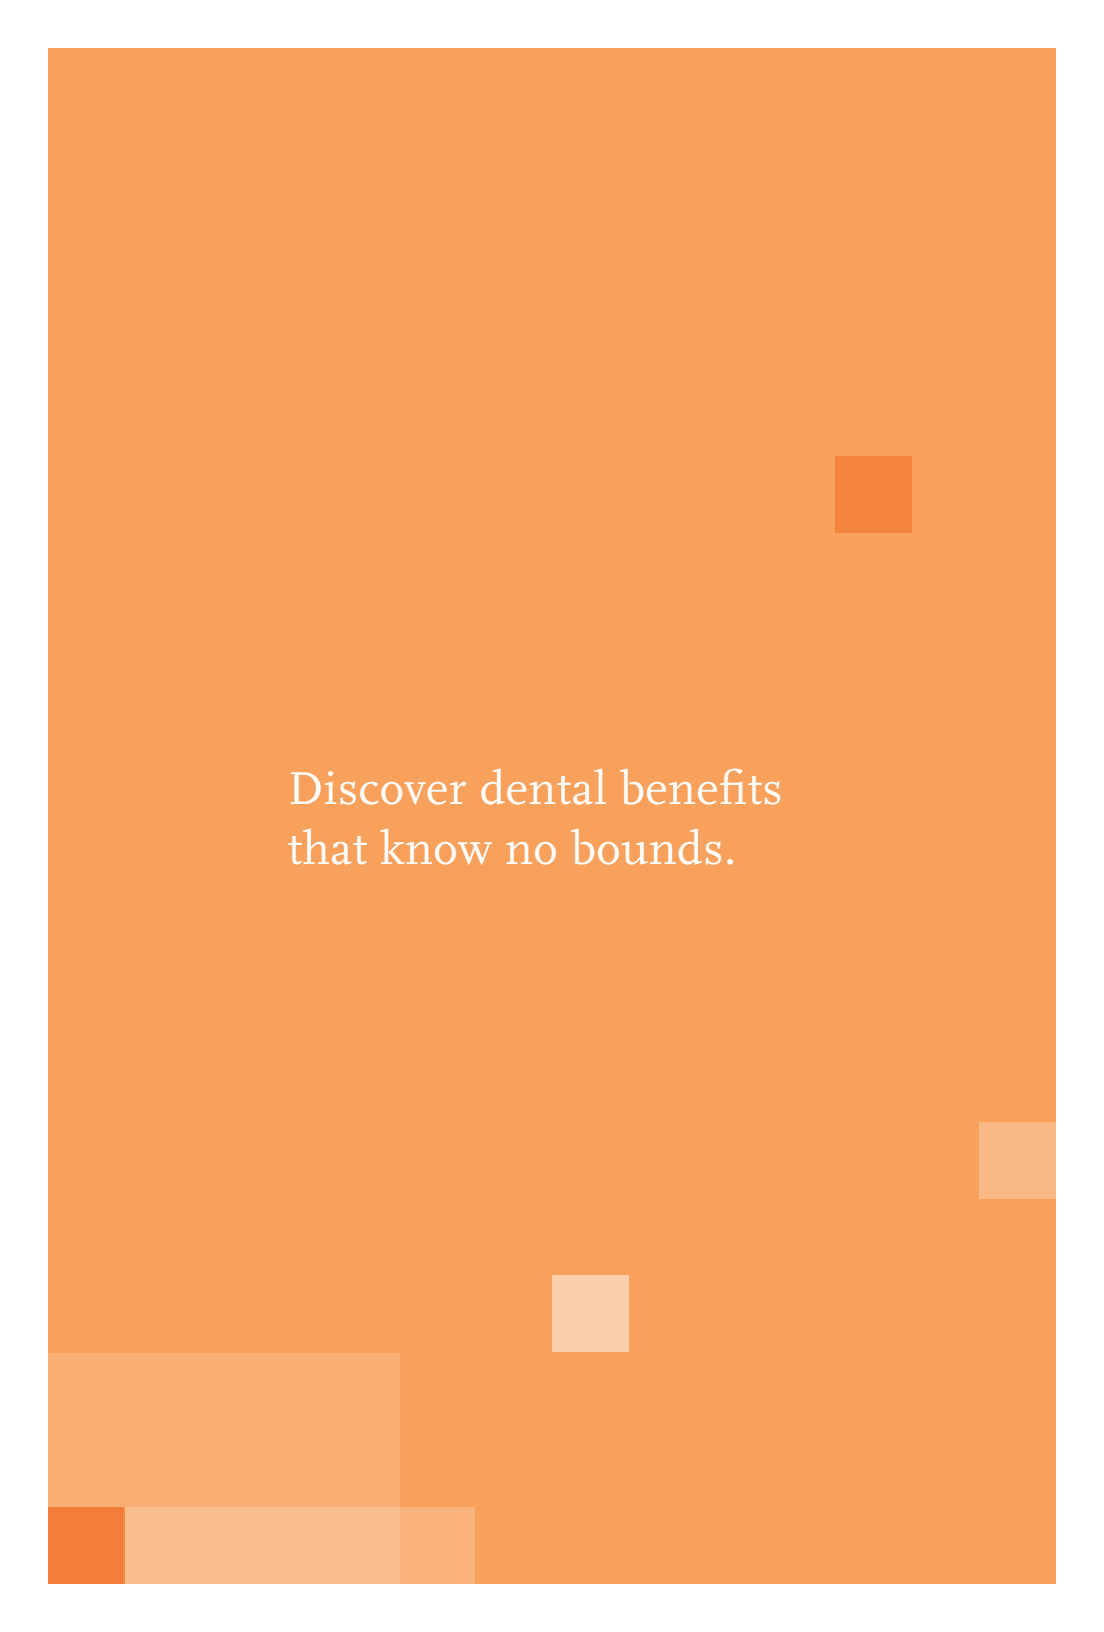

- facilitating information sharing among member companies
- maintaining the integrity of the Association standards
- advocating for legislative and regulatory concerns
- offering a resource for industry data and benchmarking studies
- leading the charge in outcomes research, analysis and application of emerging dental science

## Pursuing our mission.

As the first company to specialize in dental benefits, we remain passionate about oral health and its importance to future generations – and we strive daily to make dental care more accessible to everybody.

Each year, our member companies make significant ongoing contributions to their communities – supporting programs that expand access to oral health care, provide oral health education and help nurture the next generation of dentists.

Discover dental benefits  
that know no bounds.

# Our smiles stretch across the nation.

Comprised of 39 independent dental service corporations, Delta Dental operates in all 50 states, the District of Columbia and Puerto Rico. Contact your local member company today to learn more about the many benefits of choosing Delta Dental.
