

Delta Dental by the Numbers

Delta Dental Enrollment Statistics

Statistics are updated annually based on Delta Dental's internal data collection process.

Delta Dental serves more than **62 million Americans** with dental coverage.

- Delta Dental PPO: 43.0 million
- Delta Dental Premier: 6.4 million
- DeltaCare (DHMO): 1.7 million
- Other Enrollees: 9.0 million

Delta Dental provides dental coverage to more than **114,000 groups*** nationwide.

- Delta Dental Premier: 35,753
- Delta Dental PPO: 53,358
- DeltaCare (DHMO): 25,132
- Other groups: 2,131

**The total number of groups by product exceeds the total number of unique groups because groups with multiple plan options are counted under each product.*

Delta Dental Network Statistics

Data updated quarterly based on DDPA Network Analysis Quarterly Reports (last update: June 2014).

- The **Delta Dental PPO** network has more than **95,000 dentists** practicing in more than **234,000 dentist locations**.
- The **Delta Dental Premier** network has more than **148,000 dentists** practicing in more than **315,000 dentist locations**.
- The **DeltaCare** network has dentists practicing in more than **66,000 dentist locations**.

Dental Network Comparisons

Information generated in October 2014 by a third party resource for data on providers and managed care networks to the health care industry.
