

Disclaimers

Please note: in California, Delta Dental Endodontists, Periodontists and Oral Surgeons are not under DPO contract. However, covered treatment provided by these dentists is payable at your program's full in-network level.

Delta Dental companies and participating dentists are independent contractors. Delta Dental companies and participating dentists do not have a relationship of employer and employee nor of principal and agent. No such relationship other than that of independent parties contracting with each other solely for the purpose of participating dentists' provision of dental care to Delta Dental patients may be deemed to exist or be construed to exist between Delta Dental companies and participating dentists. A participating dentist is solely responsible for the dental care provided to any patient and Delta Dental companies do not control the detail, manner or methods by which participating dentist provides care.

The dentists listed in the search results may not participate in our network for each location listed in the results. Please verify the participation status with the dentist for the desired location.

Dental treatment provided outside the United States may not be covered by your plan. Please contact your benefits administrator to verify coverage.
