

From the desk of the
Tooth Fairy

Dear

Congratulations on losing your first tooth! I was so excited to see your bright, shiny tooth waiting for me. I left you a little something as a reward. I hope you like it!

I heard you were very brave when you lost your first tooth. I know it feels a little funny, but don't worry, a beautiful, new grown-up tooth will soon take its place!

Remember, I prefer collecting teeth that are healthy and clean! So be sure to take good care of all your teeth by avoiding too many sugary snacks, eating lots of healthy fruits and vegetables, and brushing and flossing every day. Be sure to say hello to your dentist for me at your next visit — he's a good friend of mine!

I'll be back to visit next time you lose a wiggly tooth.
Have a sparkly day!

Brush wishes,
The Tooth Fairy
